Re: Coarse Angling for Clubs World Championship 2022 – number of Clubs per Nation

Dear Sports Friends,

We inform you that at the next Coarse Angling for Clubs World Championship, which will take place in Belgium, on July 23rd and 24th 2022, two Clubs per Nation will be allowed to participate in relation to the number of available places on the venue.

If the venue is not long enough for accepting 2 Clubs per Nation, second Clubs may be admitted in relation to the number of available places on the venue. Example: if a venue has 34 available places and 25 Nations are registered, only 9 places are available and will be allocated as follows:

- 1 place for the World Champion Club of the previous year + 1 place for the second Club of the organizing Nation + 7 places for the Nations (Clubs) ranked from 2nd to 8th at the World Championship for Clubs of the previous year;
- whether among the 9 teams, 1 or more Nations are not interested in registering a 2nd Club, the teams ranked 9, 10, etc... at the World Championship for Clubs of the previous year will be admitted in relation to the available places.

Best regards.
