Object: 11<sup>th</sup> Feeder Fishing World Championship and 22<sup>nd</sup> Carp Fishing World Championship

Dear All

We inform you that because of the ongoing conflict in Ukraine and without having any possibility to assess the duration of the war, the FIP Sed Steering Committee, in its meeting of March 1<sup>st</sup> 2022, has decided to shift the allocation of the 11<sup>th</sup> Feeder Fishing World Championship 2022 between Ukraine and Belgium. Belgium will therefore host the competition in question in the new date of **October 8 and 9 2022**. Ukraine will host the event in 2023, provided the situation will allow and they will be in condition to do it.

As to the 22<sup>nd</sup> Carp Fishing World Championship, which should take place on September from 22 to 24, we will inform you about the new host Country as soon as possible.

Best regards.

The Secretary General  
Barbara Durante
