

6th WORLD CHAMPIONSHIP FEEDER ANGLING FOR CLUBS

LOUGH MUCKNO
Castleblayney, Co. Monaghan, Ireland

22nd & 23rd April 2023

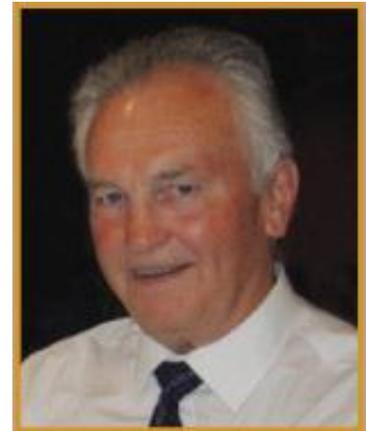

Dear President,

The National Coarse Fishing Federation of Ireland, NCFI is honoured to be appointed the organisation of the 6th edition of the FIPSeD World Championships Feeder Fishing for Clubs.

On behalf of the organising committee, I am pleased to present to you the official invitation to the event valid for all National Federations of Freshwater Angling Sport and their qualifying clubs.

The destination for the championships is the town of Castleblayney in County Monaghan and the scenic environs of Lough Muckno Leisure Park. The park is set on 900 acres of countryside with woodland walking trails, landscaped parkland, a golf course, and a freshwater lake.

The NCFI first hosted the European Championships on Lough Muckno in 1998. The area is since renowned for its Irish Fishing Festivals, good fishing, and warm hospitality and the lake sympathetically enhanced to offer parking at your peg across several locations. Access comes to us with kind permissions of local landowners, Monaghan County Council, Concra Wood Golf Club and Coillte, Irish Forestry.

We are therefore delighted to host the first World Championships on the venue, an event we hope will showcase the fine angling product in Castleblayney to club anglers worldwide.

I am looking forward to your visit and participation in this great contest and extend to you a warm Irish welcome.

*Oliver McGauley
Hon. President
NCFI*

more to Monaghan

County Monaghan's vibrant landscape – full of gentle hills, glistening lakes and small idyllic market towns – provides a true glimpse into Irish rural life. Full of gentle hills and northern charm. A county of rugged beauty and friendly banter, where quiet culture embraces good conversation and new discoveries. Located in the north east of the country and ideally located almost equidistant from the cities of Dublin and Belfast, Castleblayney is one of Ireland's best kept secrets. and home to Lough Muckno.

OFFICIAL PROGRAMME

DATES

From Sunday 16th April – Arrival of the teams and registration
To Monday 24th April – Departure of the teams

THE COMPETITION VENUE

Lough (Lake) Muckno covers an area of 425 hectares spotted with islands and is a fully developed angling amenity serving the Northeast of Ireland. The lake measures about 4 km (2.5 mi) long and 1.0 km (0.6 mi) wide. It flows out to the Clarebane River, which connects the lake to nearby Lough Ross.

The championships will feature fishing at five of the developed sections known as White, Yellow and Black Island and Upper & Lower Concra Wood. The lough reaches depths of up to 20 metres with fishing generally at 5 to 7metres on the islands and 3 to 4m at Concra Wood.

Please note: Platforms will be required to access the water and teams will be restricted to 2 vehicles on the venue.

Lake depths can be viewed here <http://bit.ly/3SRGI5I>

FISH SPECIES

The lake holds large stocks of fish to include quality roach, bream, rudd, hybrids, tench and perch. Other species such as trout and pike are not counted in this competition. It is forbidden to catch Eel, they must be released to the water immediately and not placed in keep nets.

Before any fishing takes place, all equipment must be disinfected at the bio-security station.

ANTI-DOPING INFORMATION - TUE REQUESTS

The athletes participating in the Championship, with the registration, implicitly accept all WADA anti-doping rules.

Athlete whose illness or condition requires treatment with a prohibited substance or method must apply to CIPS for a Therapeutic Use Exemption (TUE) following the CIPS strict TUE application process.

He/she shall then use the application form, which can be downloaded from the ITA website: https://ita.sport/uploads/2021/02/ITA_TUE_Form.pdf

The TUE request has to be sent to the following address: tue@ita.sport

Athletes must therefore consult the Prohibited List https://www.wada-ama.org/sites/default/files/2022-09/2023list_en_final_9_september_2022.pdf

If the TUE is granted, the athlete will then be permitted to use the medication during the period of validity of the TUE without committing an Anti-Doping Rules Violation (ADRV).

Regardless of whether a TUE has been granted or not, athletes should always declare on the doping control forms filled out during sample collection any medications and supplements taken within the seven days prior to sample collection, and any blood transfusions in the three months prior for blood samples.

If a TUE has already been granted by a NADO or by a RADO, the Athlete in question does not have to apply for any additional CIPS TUE, as CIPS recognizes all TUE granted by NADOs and RADOs.

COVID REGULATIONS

During any FIPSeD championship scheduled in calendar, the COVID-19 regulations in force in the event hosting Nation are applied.

Any National delegation, teams, club, individual, are invited to inquire about any possible restrictions before leaving from their Country of origin.

FIPSeD OFFICIAL RULES

FIPSeD Rules are available and can be downloaded by http://www.fips-ed.com/fipsed/images/Regolamenti/2023/Eng/Reg_FIPSeD_Feeder_2023_en_def.pdf
